

## **Super Alpine TypeFace - Desktop Licence, One Licence**

### **1. Grant of Licence**

This licence grants the licensee a non-exclusive, non-transferable right to install and use the licensed font for the permitted uses listed below. All rights not expressly granted are reserved by the licensor.

### **2. Permitted Use**

#### **2.1 Desktop Use, OTF Format**

The OTF font file may be installed on one computer. The licensee may use the font for any purpose including print, logo creation, branding, artwork, advertising, packaging, social media assets, editorial use, and any other static or rasterised design output. The licence permits commercial and non-commercial use, including use in products for sale.

### **3. Restrictions**

The font file may not be copied, shared, distributed, lent, sold, uploaded, or provided in any way to third parties. The licensee may not sublicense, assign, donate, or transfer the font or this licence to any other party. Embedding the font in software, hardware, SaaS platforms, server environments, or any product that allows end users to access or extract the font is prohibited unless a separate extended licence is purchased. The licensee may not convert, decompile, reverse engineer, or modify the font for redistribution, nor create derivative fonts intended for distribution.

The font may not be used in any unlawful, defamatory, discriminatory, or harmful manner.

### **4. Backups and Internal Sharing**

The licensee may create one backup copy of the font that is stored securely. The font may only be used by the individual or organisation that purchased the licence, and only on the licensed computer.

### **5. Ownership**

This licence covers usage rights only. All rights, title, and interest in the typeface and associated font software remain the exclusive property of Super Alpine.

### **6. Liability and Indemnity**

The font is provided as is without warranties. Super Alpine is not liable for damages, losses, interruptions, or claims resulting from the use or inability to use the font. The licensee agrees to indemnify and hold harmless Super Alpine from any claims, liabilities, damages, legal fees, or losses arising from misuse, unlawful use, redistribution, or any content created using the font.

### **7. Termination**

This licence terminates automatically upon breach. The licensee must delete all copies of the font from all devices and storage upon termination.

### **8. Governing Law**

This licence is governed by the laws of the United Kingdom. Disputes will be settled in UK courts.
